

Engineering Staff College, Bangladesh (ESCB) has started implementing another professional certificate course in the arena of Asset Management. A contract was signed between LGED and ESCB for training management services for implementing “Basic Course on Asset Management” was held on June 23, 2021 at the LGED Headquarters, Dhaka. Since, then around 250 participants have been trained over 13 instances of this newly designed course. The courses are jointly developed, organized and implemented by the UNOPS, LGED and ESCB. Some glimpses of the Contract signing as well as training sessions are given below:
